

Correction Notification

Turtle Sands Holiday Park redevelopment, Mon Repos Beach, Bundaberg, Queensland (EPBC ref 2018/8385)

The Variation of conditions attached to approval signed on 21 March 2025 contained the following errors - the notice incorrectly numbered conditions after condition 14. A corrected version of the notice is at Annexure 1.

Annexure 1.

Part A – Conditions specific to the action	
Lot Conditions	
Original dated 11/08/2020	1) The approval holder must not have an adverse impact on the marine turtle nesting habitat or the nesting behaviour of marine turtles .
Original dated 11/08/2020	2) The approval holder must ensure that only single storey buildings are constructed on the Lot .
Original dated 11/08/2020	3) After the second anniversary of the commencement of the action , the approval holder must ensure that no permanent lighting or temporary lighting on the Lot is directly visible from the beach or the marine turtle nesting habitat during the marine turtle nesting season .
Original dated 11/08/2020	4) The approval holder must ensure that activities do not occur within the Foreshore Property Boundary Area or in the Re-vegetation Zone shown in <u>Attachment A</u> .
Original dated 11/08/2020	5) The approval holder must ensure that the only places where pedestrian beach access can occur at is the three 'Beach Access' locations shown in <u>Attachment A</u> . The approval holder must ensure that signage is: <ol style="list-style-type: none"> prominently and clearly visible at each of the three 'Beach Access' locations; consistent with signage at the Mon Repos Turtle Centre or as authorised by the relevant Queensland Government agency responsible for Mon Repos Beach; and advises that no unauthorised person may access the beach between 6pm and 6am during the marine turtle nesting season.

Original dated 11/08/2020	<p>6) The approval holder must develop and maintain a code of conduct for their guests. The code of conduct must be binding on guests during the marine turtle nesting season. The code of conduct must:</p> <ul style="list-style-type: none"> a) be emailed to guests on confirmation of their booking; b) be provided as part of the checking-in procedure; c) be consistent with the Turtle Management Plan and Planting Plan; d) be consistent with any relevant code of conduct developed by the Queensland Government, Local Government or the Mon Repos Conservation Centre; and e) specify that during the marine turtle nesting season: <ul style="list-style-type: none"> i. dogs (excluding assistance dogs) and cats are not permitted onto the Lot; ii. unauthorised access to Mon Repos Beach is prohibited between 6pm and 6am; iii. inform guests of appropriate behaviour including the appropriate use of handheld torches and not interfering with nesting turtles or hatchlings and closing curtains; and iv. inform guests of lighting restrictions that are applicable to them, as specified in the Turtle Management Plan and these conditions, such as, closing blackout blinds and curtains.
Action Management Plans	
Original dated 11/08/2020	<p>7) The approval holder must implement the following Action Management Plans for the duration of this approval:</p> <ul style="list-style-type: none"> i) Turtle Management Plan; and ii) Planting Plan.
Original dated 11/08/2020	<p>8) The approval holder must ensure that the Turtle Management Plan and Planting Plan are reviewed prior to every 10 year anniversary of the date of this approval by a suitably qualified expert.</p>
Original dated 11/08/2020	<p>9) The suitably qualified expert must provide advice on the effectiveness of the Turtle Management Plan and the Planting Plan in contributing to the achievement of the outcome required by condition 1. The approval holder must have the suitably qualified</p>

	expert prepare a report providing that advice and any recommended changes to the Turtle Management Plan and Planting Plan .
Original dated 11/08/2020	10) The approval holder must submit each report prepared by a suitably qualified expert to the Department by the same 10 year anniversary of the date of this approval before which those plans must be reviewed.
Original dated 11/08/2020	11) The approval holder must revise the Turtle Management Plan and/or Planting Plan consistent with any reasonable recommendations of the suitably qualified expert . If the approval holder revises the Turtle Management Plan and/or Planting Plan , the approval holder must submit the revised Turtle Management Plan and/or Planting Plan to the Minister , within 3 months of the submission of the report prepared by the suitably qualified expert , for approval in accordance with condition 12.
Revision of action management plans	
Original dated 11/08/2020	12) The approval holder may, at any time, apply to the Minister for a variation to an action management plan approved by the Minister under condition 7, or as subsequently revised in accordance with these conditions, by submitting an application in accordance with the requirements of section 143A of the EPBC Act . If the Minister approves a revised action management plan (RAMP) then, from the date specified, the approval holder must implement the RAMP in place of the previous action management plan.
Original dated 11/08/2020	13) To the extent of any conflict between these conditions and an Action Management Plan, the conditions prevail to the extent of any inconsistency.
Other Lighting Conditions	
<i>As varied on the date this instrument was signed</i>	<p>14) The approval holder must ensure that, during the marine turtle nesting season, glamping tents (sites 88 to 96 inclusive, as shown in <u>Attachment A</u>) and the beachfront tourist cabins (sites 1 to 12 inclusive, as shown in <u>Attachment A</u>) must:</p> <ul style="list-style-type: none"> a) have fully effective blackout curtains or blinds installed on all beach facing doors and windows; b) when not occupied, have all internal and external lights turned off between 7.30pm and 6.00am; and c) when occupied and internally lit, have curtains or blinds drawn on all beach facing doors and windows between 7.30pm and

6.00am. Extinguish ('turn off') all **external lights** between the hours of 7.30pm and 6.00am.

Note: The approval holder must comply with all other lighting requirements specified in the Action Management Plans.

Beachfront Sites

As varied on the date this instrument was signed

- 15) During the **marine turtle nesting season**, motorhomes, campervans, caravans, pop-top trailers, camper trailers, tents, gazebos, annexes, awnings, etc. located in beachfront sites (sites 111 to 127 inclusive, as shown in Attachment A) must:
- Not have any **external lighting**, including lighting that is erected, mounted, hung or affixed in anyway, positioned more than 1 metre above the ground.
 - Extinguish ('turn off') all **external lighting** between the hours of 7.30pm and 6.00am. If internally lit, shut and/or close curtains and blinds on all windows, vents, doors or other openings facing the beach to prevent light from reaching the beach between 7.30pm and 6.00am.

Original dated
11/08/2020

- 16) The approval holder must install and maintain in good condition a fence during the **marine turtle nesting season**. The fence must:
- be located on the beach side of sites 111 to 127 inclusive and be located as marked as the 'Proposed fence' in Attachment A;
 - be at least 1.2 meters in height; and
 - have a similar specification, performance and be of similar in design to the fence installed by the Bundaberg Regional Council at Oaks Beach, Burnett Heads, Queensland as pictured in Attachment B.

Note: Pine posts and beams may be used instead of metal.

Part B – Standard Administrative Conditions

Commencement of the action

Original dated
11/08/2020

- 17) The approval holder must notify the **Department** in writing of the date of **commencement of the action** within 10 **business days** after the date of **commencement of the action**.

Original dated
11/08/2020

- 18) If the **commencement of the action** does not occur within 5 years from the date of this approval, then the approval holder must not **commence the action** without the prior written agreement of the **Minister**.

As varied on
10/06/2022

- 19) Prior to **commencement of the action**, the approval holder must:
-

	<ul style="list-style-type: none"> a) install the fence in accordance with condition 16; and b) commence implementation of the planting plan.
As varied on 10/06/2022	<p>20) If commencement of the action has not occurred within 3 years of the date of this approval, the approval holder must forthwith:</p> <ul style="list-style-type: none"> a) install a fence (or a temporary fence) in accordance with condition 16; and b) commence implementation of the planting plan.
Compliance records	
Original dated 11/08/2020	21) The approval holder must maintain accurate and complete compliance records .
Original dated 11/08/2020	<p>22) If the Department makes a request in writing, the approval holder must provide electronic copies of compliance records to the Department within the timeframe specified in the request.</p> <p>Note: Compliance records may be subject to audit by the Department or an independent auditor in accordance with section 458 of the EPBC Act, and or used to verify compliance with the conditions. Summaries of the result of an audit may be published on the Department's website or through the general media.</p>
Preparation and publication of plans	
Original dated 11/08/2020	<p>23) The approval holder must:</p> <ul style="list-style-type: none"> a) submit plans electronically to the Department; b) publish each plan on the website within 20 business days of the date the plan is approved by the Minister or of the date a plan is submitted to the Minister or the Department, unless otherwise agreed to in writing by the Minister; c) exclude or redact sensitive ecological data from plans published on the website or provided to a member of the public; and d) keep all plans published on the website until the end date of this approval.
Annual compliance reporting	
Original dated 11/08/2020	<p>24) The approval holder must prepare a compliance report for each 12 month period following the date of commencement of the action, or otherwise in accordance with an annual date that has been agreed to in writing by the Minister. The approval holder must:</p> <ul style="list-style-type: none"> a) publish each compliance report on the website within 60 business days following the relevant 12 month period;

-
- b) notify the **Department** by email that a **compliance report** has been published on the **website** and provide the weblink for the **compliance report** within 5 **business days** of the date of publication;
 - c) keep all **compliance reports** publicly available on the **website** until this approval expires;
 - d) exclude or redact **sensitive ecological data** from **compliance reports** published on the **website**; and
 - e) where any **sensitive ecological data** has been excluded from the version published, submit the full **compliance report** to the **Department** within 5 **business days** of publication.

Note: Compliance reports may be published on the **Department's website**.

Reporting non-compliance

Original dated
11/08/2020

- 25) The approval holder must notify the **Department** in writing of any: **incident**; non-compliance with the conditions; or non-compliance with the commitments made in **plans**. The notification must be given as soon as practicable, and no later than 2 **business days** after becoming aware of the **incident** or noncompliance. The notification must specify:
- a) any condition which is or may be in breach;
 - b) a short description of the **incident** and/or non-compliance; and
 - c) the location (including co-ordinates), date, and time of the **incident** and/or non-compliance. In the event the exact information cannot be provided, provide the best information available.
-

Original dated
11/08/2020

- 26) The approval holder must provide to the **Department** the details of any **incident** or non-compliance with the conditions or commitments made in **plans** as soon as practicable and no later than 10 **business days** after becoming aware of the **incident** or non-compliance, specifying:
- a) any corrective action or investigation which the approval holder has already taken or intends to take in the immediate future;
 - b) the potential impacts of the **incident** or non-compliance; and
 - c) the method and timing of any remedial action that will be undertaken by the approval holder.
-

Independent audit

<i>As varied on the date this instrument was signed</i>	27) Revoke
<i>As varied on the date this instrument was signed</i>	<p>28) The approval holder must ensure that an independent audit of compliance with the conditions is conducted for every audit period.</p> <p>a) The approval holder must submit details of the proposed independent auditor and their qualifications to the department within 10 business days following the end of each audit period.</p> <p>b) The approval holder must ensure the scope of each independent audit is sufficient to determine the compliance status for each conditions of approval, and each commitment made in each plan.</p> <p>c) The approval holder must ensure the criteria for each independent audit and the undertaking of each independent audit are consistent with the Independent Audit and Audit Report Guidelines.</p> <p>Note: The approval holder is not required to receive the department's written approval of an independent auditor, audit scope, audit criteria and methodology (per sections 5.5 and 5.8 of the Independent Audit and Audit Report Guidelines).</p>
