Attention: [REDACTED] Director, Queensland North Assessments Section

Dear Minister,

2022/09396 – Notice under section 156F of a change of “person proposing to take the action” and request that the Minister change the “proposed designated proponent” under section 78(5)

Ark Energy writes pursuant to sections 156F and 78(5) of the *Environment Protection and Biodiversity Conservation Act 1999* (EPBC Act). This letter is a notification of the “person proposing to take the action” and a request that the Minister change the “proposed designated proponent” for the Boomer Green Energy Hub project (the Project) (EPBC 2022/09396).

Ark Energy Projects Pty Ltd (ABN 84 150 163 143) is the current “person proposing to take the action” and “designated proponent” (the Proponent) for the project.

The Proponent has now established a special purpose vehicle, Boomer Green Energy Hub Pty Ltd (ABN 72 664 040 082), for the purposes of further developing, delivering and operating the Project. A copy of the ASIC certificate of registration for Boomer Green Energy Hub Pty Ltd is attached for reference as Attachment 1.

Ark Energy Projects Pty Ltd provides notice, that they no longer propose to undertake the action (EPBC 2022/09396) and that Boomer Green Energy Hub Pty Ltd will now undertake the action.

As authorised representative for both Ark Energy Projects Pty Ltd and Boomer Green

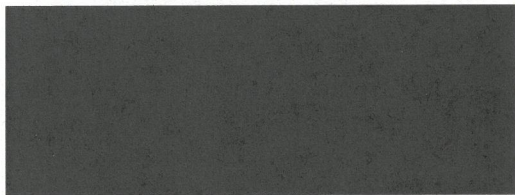

Energy Hub Pty Ltd, I request that the “person proposing to take the action” and “proposed designated proponent” for the action (EPBC 2022/09396), be changed from Ark Energy Projects Pty Ltd to Boomer Green Energy Hub Pty Ltd.

I declare that:

- Ark Energy Projects Pty Ltd was not exempt from paying the fee under the subregulation 4.02(2) of the *Environment Protection and Biodiversity Conservation Act 2000* (EPBC Regulations), or a fee that would have otherwise been payable under Division 5.6.
- Boomer Green Energy Hub Pty Ltd would not be exempt from paying the fee under sub-regulation 4.02(2) of the *Environment Protection and Biodiversity Conservation Act 2000* (EPBC Regulations), or a fee that would otherwise be payable under Division 5.6 in relation to the assessment of the impacts of the action.

Further information in relation to this notice containing the required information of s156F of the EPBC Act and s.5.10 of the EPBC Regulations, is attached to this letter as Attachment 2.

Yours sincerely

Boomer Green Energy Hub Pty Ltd
