

OMS GROUP

OMS GROUP HSE POLICY

At OMS Group (together with our subsidiaries), the health and safety of our employees, clients, contractors and the environment we operate in are of paramount importance. Our HSE policy outlines our commitment to fostering a culture of safety, and risk mitigation, and promoting sustainable practices.

Compliance and Regulations

We strictly adhere to all applicable laws, regulations, and industry standards related to safety, health, and environmental protection in the industry that we operate in.

Safe Working Environment

We actively identify, assess, and mitigate potential risks and hazards associated with our operations to prevent and minimize the risk of injuries, health hazards and damage to properties.

HSE Structure and Resources

We provide resources, instructions and trainings prior to carrying out our duties to achieve our Health, Safety & Environment objectives.

Communication and Collaboration

We promote open and transparent communication channels, enabling the exchange of HSE information. We actively collaborate with our people and key stakeholders to share knowledge and promote safety within the relevant industry.

Environmental Responsibility

We are committed to reducing our environmental impact and promoting sustainability in our operations.

Emergency Preparedness

We maintain emergency response plans and procedures to effectively manage emergencies in line with applicable laws, regulations and industry standards.

Continuous Improvement

We foster a culture of continuous improvement in our HSE management and performance by leveraging new technologies, industry best practices and proprietary know-hows.

We require all our people to adhere to this policy to ensure a safer tomorrow for our employees, clients, contractors and the environment we thrive in.
