## INVITATION FOR PUBLIC COMMENTS – Naturaliste Heights Residential Development Extension

In accordance with section 95A(3) of the EPBC Act, interested persons and organisations are now invited to comment on the Preliminary Documentation for the proposed development for a period of 20 business days from 29 April 2025 until 5pm 26 May 2025.

The development will require clearing up to 2.3 ha of native vegetation, with 18.9 ha placed into a conservation reserve (the proposed action). The proposed action was determined a Controlled Action under the EPBC Act. The controlling provisions of Part 3 of the EPBC Act are 'listed threatened species and communities' (sections 18 and 18A).
