

Notice of public consultation for Whalers Way Orbital Launch Complex

SouthernLaunch.Space Pty Ltd advises that plans for the construction and operation of the Whalers Way Orbital Launch Complex (EPBC 2021/9013) are available for public consultation under Section 95A(3) of the Environment Protection and Biodiversity Conservation Act 1999 (EPBC Act).

The planned Whalers Way Orbital Launch Complex will be located on the southern tip of the Eyre Peninsula in South Australia, approximately 40km southwest of Port Lincoln.

Matters relating to this action that are protected under the EPBC Act are:

- Listed threatened species and communities (sections 18 & 18A)
- Listed migratory species (sections 20 & 20A)
- Commonwealth marine areas (sections 23 & 24A)

Copies of the referral documentation, additional Preliminary Documentation and an Executive Summary are available to review on the Southern Launch website:

www.southernlaunch.space/epbc.

Alternatively, copies are available for review at no cost at the following locations:

Eyre Peninsula

Port Lincoln Library
2 London Street
Port Lincoln SA 5606

Adelaide

State Library of South Australia
Corner of North Terrace and Kintore Avenue
Adelaide SA 5000
