

Notification of decision to accept a varied proposal

Beebo Solar Farm and Battery Energy Storage System, Texas, Qld (EPBC 2024/10010)

This decision is made under section 156B of the *Environment Protection and Biodiversity Conservation Act 1999* (EPBC Act).

Proposed action

person proposing to take the action	Beebo Solar Farm Pty Ltd ACN: 673 574 742
--	--

original proposal	To construct, operate, and decommission a 600 mega-watt solar farm, Battery Energy Storage System, substation, and other ancillary infrastructure at 269 McNulty's Road, Texas, Queensland (See EPBC Act referral 2024/10010).
--------------------------	--

Varied proposed action

varied proposal	To construct, operate, and decommission a 600 mega-watt solar farm, Battery Energy Storage System, substation, and other ancillary infrastructure, including upgrades to local connecting roads at 269 McNulty's Road, Texas, Queensland (See EPBC Act referral 2024/10010 and request to vary the proposal to take the action dated 19 December 2025).
------------------------	---

variation	The varied proposal is substantially the same as the original proposed action. The varied proposal differs from the original proposal by including upgrades to Beebo Seventeen Mile Road, McNulty's Road, and their intersections with Texas Yelarbon Road all of which occur within and adjacent to the originally referred project area.
------------------	--

date of variation effect	This variation has effect on the date this instrument is signed.
