

# Invitation for Public Comment

## **Comet Vale Sand Project, corner of Pianto Road and Goldfields Highway, Comet Vale, Western Australia (EPBC 2023/09460)**

Publication of Preliminary Documentation under the *Environment Protection and Biodiversity Conservation Act 1999* (EPBC Act)

The following notice is published pursuant to Section 95A(3) of the EPBC Act.

MLG Oz Limited proposed to clear 93 ha of foraging and potential breeding habitat for Mallefowl (*Leipoa ocellata*). The proposed action was determined to be a controlled action under the EPBC Act with assessment by Preliminary Documentation (PD) with further information. The matters protected by a provision of Part 3 of the EPBC Act include:

- Listed threatened species and communities (sections 18 & 18A)

Public comments are invited on Comet Vale Sand Project, the Preliminary Documentation. The submission period commences on 9 December 2024 and will close on 20 December 2024 (10 business days). A copy of the draft Preliminary Documentation for the proposed action is available on the proponent's website at <https://www.mlgoz.com.au>.

You can make a submission directly via email or via the online form. To do this, your submission must reference the project number EPBC 2023/09460 and be lodged at the following email address no later than COB 20 December 2024.

Email: [epbcref@mlgoz.com.au](mailto:epbcref@mlgoz.com.au)

Hard copies of the draft Preliminary Documentation for the proposed action are available for review at the following locations:

- State Library of Western Australia
- William Grandt Memorial Library

If you have accessibility requirements, please contact for assistance. Further information on the assessment process under the EPBC Act is available from the website:
