## Huntly Mine Transition (O'Neil Mining) Public Consultation Table

Stakeholders	Date (all 2024)	Channel	Feedback from stakeholder	Alcoa's Response
Member for Murray Wellington Robyn Clarke MLA	8 November	Meeting	Member expressed concern for mining in "old growth" in the proposed Dwellingup Discovery Forest.	Alcoa reiterated that we do not mine in old growth forest and third-party specialists assess potential future mining areas for a range of environmental and social values.

## Huntly Mine Transition (O'Neil Mining) Public Consultation Table

Stakeholders	Date (all 2024)	Channel	Feedback from stakeholder	Alcoa's Response
Dwellingup Discovery Forest Defenders	30 October	Email	Sought confirmation that O'Neil is part of future mine plans given it is already listed in 25-29 Mining Management Program.	Confirmed that is part of plans and Alcoa is seeking environmental approval through State and Commonwealth processes.
Greening Australia	30 October	Email		
Jarrahdale Forest Protectors	31 October	Jarrahdale Pop-Up Office	Sought clarification about whether O'Neil was part of a Mining Management Program (MMP) and which one.	Confirmed that it was part of the 22-26, 23-27 and 25-29 MMPs.
WA Forest Alliance	31 October	Email	Asked clarifying question around whether O'Neil would be removed from clearing plans, while under assessment.	Confirmed additional 25-29 Mining Management Program conceptual clearing areas within O'Neil have been proposed to be added into the Revised Proposal. Therefore it would not be implemented (eg. no clearing will not commence) until Alcoa receives the prerequisite Part IV approval. The
