## Annexure A

**Note:** Words and terms appearing in **bold** (excluding headings) have the meaning assigned to them at **Part C – Definitions**.

---

### Part A – Avoidance, mitigation, and compensation conditions

---

#### CLEARING LIMITS

- 1) To avoid and minimise impacts to **NTGVVP** the approval holder must not:
  - a) **Clear** any **NTGVVP**, as part of the Action, outside of the **Action area**.
  - b) **Construct** as part of the Action, outside of the **Action area**.
- 2) The approval holder must not **clear** more than:
  - a) 11.15 hectares (ha) of **NTGVVP** as part of the Action.
- 3) The approval holder must not as part of the Action, **harm** any **protected matter** or habitat for any **protected matter** outside of the **Action area**.

#### MANAGEMENT OF CONTAMINANT

- 4) In taking the Action, the approval holder must comply with the **Melbourne Airport PFAS Management Framework**.
- 5) The approval holder must commence implementing the **Melbourne Airport PFAS Management Framework** no later than the **commencement of the Action** and continue to implement the **Melbourne Airport PFAS Management Framework** until the **completion of the Action**.

#### ENVIRONMENTAL MANAGEMENT PLAN

The following conditions are to avoid and mitigate **harm** as a result of the Action on **NTGVVP** other than as provided for under condition 1 and 2, including indirect impacts to **NTGVVP** in areas adjacent to the **Action area**.

- 6) The approval holder must undertake the Action consistent with the **Environmental Management Plan (EMP)**.
- 7) The approval holder must commence implementing the **EMP** no later than the **commencement of the Action** and continue to implement the **EMP** until **completion of the Action**.

- 8) By implementing the **EMP**, the approval holder must achieve the following environmental outcomes:
- a) prevent any avoidable **harm** to **protected matters** and mitigate unavoidable and accidental **harm** to **protected matters**.

## CULTURAL HERITAGE

- 9) To avoid and mitigate **harm** to cultural heritage, if any unearthed **heritage material** is found during excavation, the approval holder must act in accordance with the relevant **CHMP 12774** and **CHMP 16792**, in regard to the discovery, removal, custody, curation and management of such materials.

## OFFSET

- 10) To compensate for the **clearing** of 11.15 ha of **NTGVVP**, the approval holder must not **commence the action** until:
- a) the **NTGVVP offset site** has been **secured**, and
  - b) the **department** has, in writing, accepted as adequate a copy of an executed agreement between the approval holder and the owner of the **NTGVVP offset site** to protect the **NTGVVP Offset site**.
- 11) The approval holder must achieve a **habitat quality** score of 7/10 for the **NTGVVP offset site** by the end of 2030. Once achieved, the approval holder must maintain, or exceed, the **habitat quality** score of 7/10 for the **NTGVVP offset site** at least until the expiry date of this approval.

---

## Part B – Administrative conditions

---

### PLAN REVISION

**Note:** Section 143A of the **EPBC Act** entitles the approval holder to apply for the **Minister's** approval of a revised version of a **plan**.

- 12) The approval holder may choose to revise the **EMP** required to be implemented under condition 7 without submitting it for approval under section 143A of the **EPBC Act**, if:
- a) the taking of the Action in accordance with the revised **plan** would be consistent with the approved Action,
  - b) the taking of the Action in accordance with the revised **plan** would be consistent with the conditions attached to this approval,
  - c) the taking of the Action in accordance with the revised **plan** would not be likely to have a **new or increased impact**, and
  - d) the approval holder notifies the **department** electronically that it has prepared a revised version of the **plan** (the 'revised **plan**'). In notifying the **department**, the approval holder must specify each condition which references the **plan** and provide the **department** with:

- i) an electronic copy of the revised **plan**,
  - ii) an electronic copy of the revised **plan** marked up with track changes to show the differences between the **plan** and the revised **plan**,
  - iii) a comprehensive explanation of all differences between the **plan** and the revised **plan**,
  - iv) a declaration that the approval holder has read and understands the *Guidance on 'new or increased impact' relating to changes to approved management plans under EPBC Act environmental approvals*, Commonwealth of Australia 2017,
  - v) a comprehensive analysis and detailed discussion on the likelihood that taking the Action in accordance with the revised plan will not have, or will be not likely to have, a **new or increased impact**,
  - vi) written notice of the date on which the approval holder will implement the revised **plan** (the 'revised **plan** implementation date'), being at least 30 **business days** after the date of providing notice of the revision of the **plan**, or a date agreed to in writing with the **department**, and
  - vii) a copy of the **compliance report** for the latest **ACR period** and a statement of any relevant history of compliance (including non-compliance) in relation to the **plan**.
  - viii) The approval holder must commence implementation of the revised **plan** from the revised **plan** implementation date unless otherwise notified in writing by the **Minister**.
- 13) If the **Minister** notifies the approval holder that the **Minister** is satisfied that the taking of the Action in accordance with a **plan** which has been revised without submitting it for the **Minister's** approval would be likely to have a **new or increased impact**, then:
- a) the approval holder's ability to revise a **plan** without submitting the **plan** for **Minister** approval does not apply, or ceases to apply, in relation to the revised **plan**,
  - b) the approval holder must implement the **plan** in force immediately prior to that revised **plan** or a version of the **plan** specified by the **Minister** in the notice, and
  - c) the **Minister** may also notify that, for a specified period, the approval holder's ability to revise a **plan** without submitting the **plan** for **Minister** approval does not apply for one or more specified **plans**.

**Note:** The above conditions are not intended to limit the operation of section 143A of the **EPBC Act**.

#### **SUBMISSION AND PUBLICATION OF PLANS**

- 14) Wherever these conditions require the approval holder to submit any **plan** to the **department**, all such **plans** must be submitted to the **department** electronically.
- 15) Unless otherwise agreed to in writing by the **Minister**, the approval holder must publish each **plan**, with the exception of **CHMP 12774** and **CHMP 16792**, on the **website** within 15 **business days** of the date:

- a) of this approval, if the version of the **plan** to be implemented is specified in these conditions,
  - b) the **plan** is approved by the **Minister** in writing, if the **plan** requires the approval of the **Minister**,
  - c) the **plan** is submitted to the **department** in accordance with a requirement of these conditions, if the **plan** does not require the approval of the **Minister**.
- 16) The approval holder must keep all **plans** published on the **website**, in a format that is easily accessible and downloadable, from the first date which that **plan** must be published and until the expiry date of this approval. This requirement applies to all current and superseded versions of **plans**.
- 17) The approval holder is required to exclude or redact **sensitive biodiversity data** from any version of a **plan** before that **plan** is published on the **website** or otherwise provided to a member of the public. If **sensitive biodiversity data** is excluded or redacted from a **plan**, the approval holder must notify the **department** in writing what exclusions and redactions have been made in the version published on the **website**.

#### COMMENCEMENT OF THE ACTION

- 18) The approval holder must notify the **department** electronically of the date of **commencement of the Action**, within 5 **business days** following **commencement of the Action**.
- 19) The approval holder must not **commence the Action** later than 5 years after the date of this approval decision.

#### COMPLIANCE RECORDS

- 20) The approval holder must maintain accurate and complete **compliance records** and document the procedure for recording and storing **compliance records**.
- 21) If the **department** makes a request in writing, the approval holder must provide electronic copies of **compliance records** to the **department** within the timeframe specified in the request.

**Note: Compliance records** may be subject to audit by the **department**, or by an **independent auditor** in accordance with section 458 of the **EPBC Act**, and/or be used to verify compliance with the conditions. Summaries of the results of an audit may be published on the **department's** website or through the general media.

- 22) The approval holder must ensure that any **monitoring data**, surveys, maps, and other spatial and metadata required under the conditions of this approval are prepared in accordance with the *Guidelines for biological survey and mapped data*, Commonwealth of Australia 2018, or as otherwise specified by the **Minister** in writing.
- 23) The approval holder must ensure that any **monitoring data**, surveys, maps, and other spatial and metadata required under the conditions of this approval are prepared in accordance with the *Guide to providing maps and boundary data for EPBC Act projects*, Commonwealth of Australia 2021, or as otherwise specified by the **Minister** in writing.

- 24) The approval holder must submit all **monitoring data**, surveys, maps, other spatial and metadata and all species occurrence record data (sightings and evidence of presence) electronically to the **department** within **30 business days** of the next anniversary of the date of this approval decision except where otherwise specified in a **plan**.

## ANNUAL COMPLIANCE REPORTING

- 25) The approval holder must prepare a **compliance report** for each **Annual Compliance Report period (ACR period)**.
- 26) The approval holder must ensure each **compliance report** includes:
- a) accurate and complete details of compliance and any non-compliance with:
    - i) each condition attached to this approval decision, and
    - ii) all commitments made in each **plan**,
  - b) a schedule of all **plans** in effect in relation to these conditions during the **ACR period**,
  - c) accurate and complete details of how each **plan** was implemented during the **ACR period**, and
  - d) if any **incident** occurred, accurate and complete details of each **incident**.
- 27) The approval holder must ensure each **compliance report** is completed to the satisfaction of the **Minister** and is consistent with the *Annual Compliance Report Guidelines, Commonwealth of Australia 2023*.
- 28) The approval holder must, within **20 business days** following the end of each **ACR period**, in a format that is easily accessible and downloadable, publish on the **website**:
- a) each **compliance report**, and
  - b) a **shapefile** showing all **clearing of protected matters**, and their habitat, undertaken within the **ACR period**.
- 29) The approval holder must:
- a) Exclude or redact **sensitive biodiversity data** from each **compliance report** and **shapefile** published on the **website** or otherwise provided to a member of the public.
  - b) If **sensitive biodiversity data** is excluded or redacted from a version of a **compliance report** published or otherwise provided to a member of the public, submit the full **compliance report** to the **department** within **5 business days** of its publication on the **website** and notify the **department** in writing what exclusions and redactions have been made in the version published on the **website** or otherwise provided to a member of the public.
  - c) If **sensitive biodiversity data** is excluded or redacted from a version of a **shapefile** published or otherwise provided to a member of the public, submit the full **shapefile** to the

**department** within 5 **business days** of its publication on the **website** and notify the **department** in writing what exclusions and redactions have been made in the version published on the **website** or otherwise provided to a member of the public.

- 30) The approval holder must notify the **department** electronically, within 5 **business days** of each date of publication that the **compliance report** has been published on the **website**. In this notification, the approval holder must provide the **department** with the web address for where the **compliance report** and related **shapefile** are published on the **website**.
- 31) The approval holder must keep each **compliance report** and related **shapefile** published on the **website** from the first date which that **compliance report** must be published and until the expiry date of this approval.

**Note: Compliance reports** may be published on the **department's** website.

### REPORTING NON-COMPLIANCE

- 32) The approval holder must notify the **department** electronically, within 2 **business days** of becoming aware of any **incident**. The approval holder must specify in each notification:
- a) any condition or commitment made in a **plan** which has not been, or may have not been, complied with,
  - b) a short description of the **incident**, and
  - c) the location (if applicable, including co-ordinates), date and time of the **incident**.
- 33) The approval holder must provide to the **department** in writing, within 12 **business days** of becoming aware of an **incident**, the details of that **incident**. The approval holder must specify:
- a) all corrective measures and investigations which the approval holder has already taken in respect of the **incident**,
  - b) the potential impacts of the **incident**,
  - c) the method and timing of any corrective measures that the approval holder proposes to undertake to address the **incident**, and
  - d) any variation of these conditions or revision of a **plan** that will be required to prevent recurrence of the **incident** and/or to address its consequences.

### INDEPENDENT AUDIT

- 34) The approval holder must ensure that an **independent audit** of compliance with the conditions is conducted for every **audit period**.
- 35) The approval holder must submit details of the proposed **independent auditor** and their qualifications to the **department** no later than 10 **business days** following the end of each **audit period**.

- 36) The approval holder must ensure the scope of each **independent audit** is sufficient to determine the compliance status for each condition of approval, and each commitment made in each **plan**.
- 37) The approval holder must ensure the criteria for each **independent audit** and the undertaking of each **independent audit** are consistent with the **Independent Audit and Audit Report Guidelines**.
- Note:** **Departmental** approval of the audit criteria is not required.
- 38) The approval holder must submit an **audit report** to the **department** for written agreement from the **department** within 3 months following the end of each **audit period**, or as otherwise directed by the **Minister** in writing.
- 39) The approval holder must ensure each **audit report** is completed to the satisfaction of the **Minister** and is consistent with the **Independent Audit and Audit Report Guidelines** to the extent that the **Independent Audit and Audit Report Guidelines** are consistent with these conditions.
- 40) The approval holder must publish each **audit report** on the **website**, in a format that is easily accessible and downloadable, within 10 **business days** of the date the **department** agrees to that **audit report** in writing.
- 41) The approval holder must notify the **department** within 5 **business days** of the date the **audit report** is published on the **website**. In this notification, the approval holder must provide the **department** with the web address for where the **audit report** is published on the **website**.
- 42) The approval holder must keep each **audit report** published on the **website** from the first date which that **audit report** must be published and until the expiry date of this approval.

## COMPLETION OF THE ACTION

- 43) Within 20 **business days** after the **completion of the Action**, and, in any event, at least 20 **business days** prior to the expiry date of this approval, the approval holder must notify the **department** electronically of the date of **completion of the Action** and provide **completion data**. The approval holder must submit any spatial data that comprises **completion data** as a **shapefile**.

**Department** means the Australian Government agency responsible for administering the **EPBC Act**.

**Environmental Management Plan** or **EMP** means the *Melbourne Airport Environmental Management Plan*, version 2, dated 14 September 2021 or the most recent version revised in accordance with the requirements of these conditions.

**EPBC Act** means the *Environment Protection and Biodiversity Conservation Act 1999* (Cth).

**Habitat quality** means a measure, undertaken by an accredited vegetation quality assessor, of the overall viability of a site and its capacity to support **protected matters**, with respect to the site condition, site context and species stocking rate and composition. **Habitat quality** must be consistently determined using the **Victorian Quality Assessment** method as used for a site's baseline **habitat quality**.

**Harm** means to cause any measurable direct or indirect disturbance or deleterious change as a result of any activity associated with the Action.

**Heritage material** means Aboriginal cultural heritage materials, places, remains or objects as defined in the relevant legislation at the time of when this notice was issued.

**Incident** means any:

event which has the potential to, or does, **harm any protected matter** (that is not authorised by this approval), including:

potential non-compliance with these conditions, including the administrative requirements,

actual non-compliance with these conditions, including the administrative requirements,

potential non-compliance with one or more commitment made in a **plan**, and/or

actual non-compliance with one or more commitment made in a **plan**.

**Independent audit** means an audit, conducted by an **independent auditor**, of compliance with and fulfilment of these conditions and the commitments made in **plans**, objectively evaluated against the audit criteria developed by the **independent auditor**, in accordance with the **Independent Audit and Audit Report Guidelines** to the extent that the **Independent Audit and Audit Report Guidelines** are consistent with these conditions.

**Independent Audit and Audit Report Guidelines** means the *Environment Protection and Biodiversity Conservation Act 1999 Independent Audit and Audit Report Guidelines*, Commonwealth of Australia 2019.

**Independent auditor** means a person, or firm, who:

does not have any individual, financial\*, employment\* or family affiliation or any conflicting interests with the Action, the approval holder or the approval holder's staff, representatives, or associated persons,

holds relevant professional qualifications and accreditations.

\*Other than for the purpose of undertaking the role for which the person, or firm, is required.

**Melbourne Airport PFAS Management Framework** means the *Melbourne Airport PFAS Management Framework*, version 3, dated 11 June 2025 or the most recent version revised in accordance with the requirements of these conditions.

**Minister** means the Australian Government Minister administering the **EPBC Act**, including any delegate thereof.

**Monitoring data** means the data required to be recorded under the conditions of this approval, including **sensitive biodiversity data**.

**NTGVVP** means the **EPBC Act** listed threatened ecological community Natural Temperate Grassland of the Victorian Volcanic Plain.

**NTGVVP Offset site** means the 43.4 ha area represented in Attachment B by the zone bordered and hatched in pink and designated as *'Proposed Offset for EPBC 2024/09907 (Future Airfields) (43.4 ha)'*.

**New or increased impact** means any direct or indirect increase in the impacts of an Action, an increase to the likelihood of an impact occurring, a reduction to the monitoring or mitigation measures for a **protected matter**, and/or a change to the nature or management of an environmental offset as outlined in the *Guidance on 'new or increased impact' relating to changes to approved management plans under EPBC Act environmental approvals*, Commonwealth of Australia 2017.

**PFAS** means per- and poly-fluoroalkyl substances as defined in the **PFAS NEMP**.

**PFAS NEMP** means the *Per- and poly-fluoroalkyl substances National Environmental Management Plan V3.0*, Heads of EPA Australia and New Zealand, 2025.

**Plan** means any action management plan or framework that the approval holder is required by these conditions to implement. For the avoidance of doubt, **CHMP 12774** and **CHMP 16792** are both **plans**.

**Protected matter** means a matter protected under a controlling provision in Part 3 of the **EPBC Act** for which this approval has effect.

**Secure or secured** means to provide enduring conservation protection on the title of land in perpetuity under Section 69 of the Conservation, Forests and Land Act 1987 (Vic), or another enduring protection mechanism agreed to in writing by the **department**, to provide protection for the site against development incompatible with conservation.

**Sensitive biodiversity data** means **biodiversity data** which, if released, published or otherwise exposed, may result in **harm** to the relevant **protected matter** as a result of the intentional or unintentional misuse of that **biodiversity data**.

**Shapefile** means location and attribute information about the Action provided in an Esri shapefile format containing:

'.shp', '.shx', '.dbf' files,

a '.prj' file which specifies the projection or geographic coordinate system used, and

an '.xml' metadata file that describes the shapefile for discovery and identification purposes.

**Victorian Quality Assessment** means the methodology described in the Department of Sustainability and Environment (DSE) (2004) Vegetation Quality Assessment Manual – Guidelines for applying the habitat hectares scoring method, Version 1.3, Victorian Government Department of Sustainability and Environment, Melbourne.

**Website** means a set of related web pages located under a single domain name attributed to the approval holder and available to the public.
