

## Environmental Protection Policy Statement

SunnyBluff Produce P/L acknowledges a responsibility to the environment, and we express our commitment toward implementing practices which will promote environmental sustainability. The following policy governs the management of the environmental aspects of our company.

This policy relates to the ongoing management and review of the company practices to ensure the integration of environmental and social considerations are current and effective in everyday operations.

### PRINCIPLES:

- Comply with legal and other requirements to safeguard the environment
- Work towards the conservation of energy, water and resources in all our operations
- Provide training to staff regarding environmental practices
- Purchasing environmentally friendly product where practical.
- Managing waste practices to reduce environmental impact
- Regular reviews of business practices
- Working with other stake holders to improve processes
