

Public Notice – High-pressure gas pipeline and gas compression facility, Moranbah QLD
EPBC Reference 2022/09329
Publication of Final Preliminary Documentation

The following notice is published pursuant to Section 95B(2) of the *Environment Protection and Biodiversity Conservation Act 1999* (EPBC Act).

QPM Energy Pty Ltd proposes a high pressure gas pipeline and gas compression facility (the proposed action) at Wards Well (Dabin Station), Moranbah Queensland.

The proposed action has been referred under the EPBC Act and determined to be a ‘controlled action’ with a Preliminary Documentation level of assessment set. The controlling provision under the EPBC Act is ‘Listed threatened species and communities’ (Sections 18 and 18A) – in particular Ornamental Snake (*Denisonia maculata*).

Public comment on the draft preliminary documentation was sought from 30 June 2023 to 17 July 2023. One public comment was received during this period, and the period for public comment is now closed.

Pursuant to Section 95B(2) of the EPBC Act, the final preliminary documentation is now available for viewing at the following locations:

- Moranbah Library – Grosvenor Complex, Batchelor Parade, Town Square Moranbah QLD 4744
- Queensland State Library - Cultural Precinct, Stanley Place, South Brisbane QLD 4101
- Online at <https://qpmetals.com.au/tech-project/project-approvals/>

The final preliminary documentation is available for viewing at the libraries for 10 business days from 1 August 2023 until 5:00pm 14 August 2023, and indefinitely online.
