PERTH WA 6000

Dear Mr Roberts,

PROPOSED CLEARING WITHIN SHIRE OWNED ROAD RESERVES – LAND ID NUMBERS 3753164, 3456031, 3456030, 3456034, 3456018, 3456029 and Lot 157 on Plan 190444.

I refer to the developmental work being undertaken by CBH in the Shire of Kent and your email received 5 December 2023 seeking Shire approval of CBH's application to the Department of Water and Environmental Regulation (DWER) for a clearing permit, part of which falls within the above-mentioned road reserves.

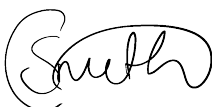

The Shire understands that portion of the clearing proposed is parts of Katanning-Nyabing Road, Bin Road and Kuringup Road reserves.

Please be advised that the Shire does not object to CBH's request to lodge an application seeking approval to clear native vegetation within this Shire owned Road Reserve. This approval only covers the area under the control of the Shire of Kent.

This approval pertains to clearing only, any other approvals, permission or licenses required must be applied for in accordance with State and Commonwealth legislation.

If you require any further information please do not hesitate to contact me on 9851 9780.

Yours faithfully,

**CHRISTIE SMITH
CHIEF EXECUTIVE OFFICER**
