Star of the South Offshore Wind Farm Project – (EPBC 2020/8650)

Draft tailored guidelines for the preparation of a draft Environmental Impact Statement

Interested members of the public are invited to comment on the draft tailored guidelines for the preparation of a draft Environmental Impact Statement for the proposal to construct and operate an offshore wind farm, including transmission infrastructure and modifications to ports and harbours, in Gippsland, Victoria and in Victorian and Commonwealth waters, for the purposes of the *Environment Protection and Biodiversity Conservation Act 1999* (EPBC Act).

Submissions should be limited to the scope and presentation of the Environmental Impact Statement to be prepared, rather than the merits of the proposed action.

Submissions must be received at the following email or postal addresses, referencing the project number EPBC 2020/8650, no later than **27 July 2021**.
